Circular No.: PMEX/Operations/09-2012

March 09, 2012

Revised Monday Market Timings

In continuation to circular PMEX / Operations/39-2011 dated November 30, 2011 and circular PMEX/Operations/01-2011 dated January 06, 2012 pertaining to the cited subject, all brokers are hereby notified that due to changes in US Day Light Saving Timings, on every Monday trading in all PMEX commodity futures contracts of Crude Oil, Silver and Gold will start at 02:57 am PST.

This change will be effective from Monday March 12, 2012.

Brokers are requested to take note of above and inform their clients of the said amendment.

For and on behalf of
Pakistan Mercantile Exchange Limited - PMEX
