

**PAKISTAN
MERCANTILE
EXCHANGE**

Circular No.: PMEX/Technology/20- 2013

May 30, 2013

Mock Trading From Disaster Recovery (DR) Site

All Brokers are hereby informed that the Exchange is conducting a Mock Trading session from Disaster Recovery (DR) site on **Saturday, June 01, 2013**. This exercise is being conducted to make the Exchange and Brokers / Clients ready for using the DR site of the Exchange.

Schedule of Mock Trading – 12:00 pm to 03:00 pm

Session	Session Activities
Normal Trading from DR Primary System	Connectivity to DR Site, access to back- office systems (TAMS and CSR) and Trading Activities (On NEXT Terminal)
Trading Activities from DR Shadow System	Exchange will down the primary DR server and will rebuilt the trading system. Broker must ensure correctness and completeness of client trading information in ETS after successful rebuilding.

DR trading website is (<https://trade.pmx.pk> and <https://trade2.pmx.pk>) and procedures and system settings for participation in mock trading are specified in **Annexure “A”**.

For clarification and assistance please contact Business Support staff at **DR Site Numbers** 021-35212700 – 4 (5 Lines) or send an e-mail at support@pmex.com.pk.

The simulated price feed will be used in respective commodity futures contracts and the trades resulting from Mock Trading will not attract any obligation for pay-in and pay-outs.

Brokers are requested to participate actively in DR Mock Trading and also inform and encourage their clients for participation.
