**Free of Cost Training for PMEX Brokers**

---

We are pleased to announce that Pakistan Mercantile Exchange (PMEX) will be offering free of cost trainings to all our brokers. The aim is to facilitate the brokerage houses to fully understand the workings of the Exchange and its systems, so that you may better manage your clients' portfolios. These training sessions will be held at PMEX premises at your convenience and as many times as you may require.

Previously, the first training provided to our clients was free of cost whereas subsequent trainings were charged at the rate of PKR 3,000/participant for all modules and PKR 1,000/participant for a single module.

We strongly believe that all our brokers are PMEX strategic business partners and your capacity building will help serve the investors in a better way. You are therefore requested to please avail this opportunity to the fullest.

PMEX assures the best and continued support to our business partners.

Best regards,
