Circular No.: PMEX/Operations/39-2011

November 30, 2011

Revised Monday Market Timings

In continuation to circular PMEX / Operations/17-2011 dated May 13, 2011 pertaining to the cited subject; all brokers are hereby notified that trading in PMEX internationally traded commodity futures will start at 4.00 am PST every Monday. This will be effective from Monday December 5, 2011.

However, during US Summer Time months, the market will be opened an hour earlier in order to follow Globex times.

Brokers are requested to take note of above and inform their clients of the said amendment.
