Mock Trading from Disaster Recovery (DR) Site

All the Brokers are hereby informed that we will be conducting a **Mock Trading session** from Disaster Recovery (DR) site on Wednesday January 01, 2014. The purpose of this exercise is to equip the Brokers / Clients with hands on experience to trade at the Exchange in case of any eventuality.

Following are details of the sessions which will be held from 12:00 pm to 05:00 pm:

Sessions	Session Activities
Normal Trading from Main Site	PMEX will run mark to market sessions and start trading system from main site. Normal trading will start at 12:00 pm PST.
Trading Halt	Trading will be stopped and Disaster Recovery Plan will be executed. Trading will resume from DR site within 30 minutes after declaration of disaster. Only <u>DR website links will be used</u> to access PMEX trading system.
Normal Trading from DR Site	Connectivity to DR Site, access to back office systems (TAMS and CSR) and Trading Activities (On NEXT Terminal). Broker must ensure correctness and completeness of client trading information in ETS after successful connectivity to DR site.

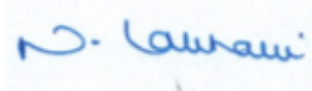

Please note that the DR trading website, procedures and system settings for participation in mock trading are specified in Annexure 'A', attached with this circular.

Furthermore, the simulated price feed will be used in respective commodity futures contracts and the trades resulting from Mock Trading will not attract any obligation for pay-ins and pay-outs.

We request you to actively participate in Mock Trading session from DR site and also inform and encourage your clients for participation.
