

Mock Trading From Disaster Recovery Site

All brokers are hereby informed that the Exchange is conducting a Mock Trading session from Disaster Recovery (DR) site on Saturday June 30, 2018. The purpose of this exercise is to make the brokers/clients familiar with using the DR site of the Exchange in case of any eventuality.

The schedule of Mock Trading would be from 12:00 pm to 05:00 pm and will be held in three (3) sessions. The details and the activities to be performed in each session are mentioned below for your reference:

| S. No. | Session | Session Activities |
|--------|--|--|
| 1 | Normal Trading from Main Site | Normal trading will start at 12:00 pm PST. |
| 2 | Trading Halt & Declaration of Disaster | Disaster will be declared at 2:00 pm as a result, trading will be stopped and recovery plan will be executed. Trading will be resumed from DR site within 2 hours after the declaration of disaster. Only the following two links will be used to access PMEX trading system from DR site: http://drtrade.pmex.com.pk and http://drtrade2.pmex.com.pk |
| 3 | Normal Trading from DR Trading System | Connectivity to DR Site, access to back-office systems (TAMS and CSR) and Trading Activities (NEXT & PMEX MT5 Terminal). Broker must ensure correctness and completeness of client's trading information in ETS after successful recovery. |

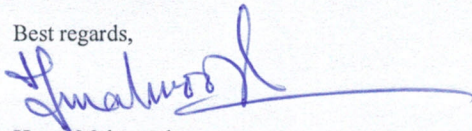

Furthermore, the simulated price feed will be used in respective commodity futures contracts and the trades resulting from Mock Trading will not attract any obligation for pay-in and pay-out.

Also note that PMEX MT5 terminal will be available, while EBooks will not be available during Mock Trading session.

All brokers are advised to participate actively in DR Mock Trading and also inform and encourage their clients for participation.
