Tariff for Capital Gains Tax (CGT) Related Services

This is in continuation to an earlier Circular No. PMEX/MKT, BD & CSS/2017/31 dated December 07, 2017. In this regard, the Exchange will start deduction of the tariff related to CGT services from March 07, 2018.

We would like to advise all Brokers that deduction of CGT service charges may result in triggering of auto liquidation threshold if sufficient funds are not available in trader accounts on close of business on March 07, 2018. Brokers are requested to arrange for the required funds from each client at the earliest.
