**Tariff for Capital Gains Tax (CGT) Related Services – Part 2**

---

This is in continuation to our earlier Circular No: PMEX /MKT, BD&CS/2017/31 dated December 07, 2017 on the captioned subject.

In the best interest of the market participants, the Exchange has reconsidered deduction of CGT service charges for the FY 2016-17 for the time being. The deduction will now take place on December 13, 2017 at 5:00 pm.

Please note that the charges against each client will be shared with the Brokers shortly. We would like to advise all Brokers to ensure the requisite funds are arranged from traders at the earliest as the deduction of CGT service charges may result in triggering of auto liquidation threshold, if sufficient funds are not available in trader accounts.
