

Mock Trading From Disaster Recovery Site

All brokers are hereby informed that the Exchange is conducting a Mock Trading session from Disaster Recovery (DR) site on **Saturday November 11, 2017**. The purpose of this exercise is to make the brokers/clients familiar with using the DR site of the Exchange in case of any eventuality.

The schedule of Mock Trading would be 12:00 pm to 04:00 pm and will be held in three (3) sessions. The session details and the relevant activities to be performed in each session are mentioned below for your reference:

S. No.	Session	Session Activities
1	Normal Trading from Main Site	Run mark to market sessions and start trading system from main site. Normal trading will start at 12:00 pm PST.
2	Trading Halt	Trading will be stopped, disaster will be declared at 2:00 pm and Disaster Recovery Plan will be executed. Trading will be resumed from DR site within 2 hours after declaration of disaster. Only the following two links can be used to access PMEX trading system from DR site: https://drtrade.pmax.com.pk and https://drtrade2.pmax.com.pk
3	Normal Trading from DR Primary System	Connectivity to DR Site, access to back-office systems (TAMS and CSR) and Trading Activities (On NEXT Terminal). Broker must ensure correctness and completeness of client trading information in ETS after successful rebuilding.

Furthermore, the simulated price feed will be used in respective commodity futures contracts and the trades resulting from Mock Trading will not attract any obligation for pay-in and pay-outs.

We request you to participate actively in DR Mock Trading and also inform and encourage your clients for participation.
