Profit on Balances with PMEX

All market participants are hereby informed that PMEX will start passing on the profit on balances of brokers and their customers (unless they consent otherwise*) for a month by the 20th of the next following month, after making the deductions stated below:

- (a) PMEX Charges: These will be calculated at following annual percentages of balances of brokers and their customers every month on weighted average daily product basis

Jan 2024 – Dec 2024	Jan 2025 – Dec 2025	Jan 2026 onward
3%	2.25%	1.5%

- (b) Contribution to Settlement Guarantee Fund (SGF): This will be calculated as the 50% of the balance amount of profit on balances of brokers and customers after deduction of PMEX Charges

*The consent will be taken from brokers and their customers for not taking profit on their first login onto the PMEX Back-office portal after Monday, February 5, 2024 via a pop-up. Any subsequent change in consent by the customers will be communicated through their brokers which will be effective from the month in which the change is communicated.
